- I spoke with Julia who stated that Roosevelt won't stop contacting her and harassing her. She stated that he keeps calling her over and over interfering with her abilities to conduct business with her attorney. She stated that Roosevelt has come to her house in the past and has come close to sexually assaulting her. She just requested we speak with him and have him stop contacting her.

I spoke with Roosevelt by phone and advised him to not have anymore contact with Julia. He stated that he has her blocked on all social media and does not contact her. I advised him that no matter what the situation is, he should not have any further contact with Julia or charges may be filed. He stated he understood.
